

GROSS FEE INCOME AFFIDAVIT – DUAL SPECIALIST

This form must be submitted by Applicants for membership in SIOR and is valid for applications submitted to SIOR Headquarters through December 31, 2019.

SIOR evaluates volume-of-business based on **Gross Fee Income** (GFI). GFI is defined as the amount that the **APPLICANT'S FIRM RECEIVES** (before internal splits) that is directly attributable to the Applicant.

GFI levels are set by local Chapters for individual markets. Please refer to the GFI Requirements by Market [here](#) or contact Christopher Collins, Manager of Admissions, at 202.449.8234 or ccollins@sior.com.

All Applicants must meet the following criteria and document it on the attached form:

1. Applicants must submit the most recent 48 months of GFI. SIOR will evaluate an Applicant's GFI based on the three best 12-month periods out of these four years. Please note that we are unable to accept GFI figures based on calendar year breakdowns, except in January.

For example: If an application is submitted in July, the 12-month periods would be July through June.

2. Applicants must meet 200% of the local GFI requirement for the three 12-month periods under consideration. Additionally, 70% of the local GFI requirement must be attributable to office transactions AND 70% of the local GFI requirement must be attributable to industrial transactions.

For example: If the local GFI requirement is \$300,000, an applicant's GFI must exceed \$600,000 per year that is under consideration. Additionally, \$210,000 of that amount must be attributable to office transactions and another \$210,000 must be attributable to industrial transactions.

If a transaction is a *referral*, it should be calculated as follows:

Gross Fee	\$100,000
Co Brokerage to Outside	\$50,000 (A)*
Gross Fee to Applicant's Firm	\$50,000
Gross Fee Income to Outside Broker (Referral)	\$10,000 (B)*
Adjusted Gross Fee to Applicant's Firm	\$40,000
Gross Fee Income to Applicant A (30%)	\$12,000 (C)*
Gross Fee Income to Applicant B (70%)	\$28,000 (D)*

* For this case, the assumption is that there are two brokers partnering together on a deal with a 70/30 split.

** For the above scenario, there could potentially be up to four applicants claiming GFI from this transaction: (A) The brokers on the other side of the deal, (B) The outside broker who received the referral fee, (C) Applicant A, and (D) Applicant B.

The following is a guide for calculating 70% of the GFI Requirement:

GFI REQUIREMENT	\$200,000	\$250,000	\$300,000	\$350,000	\$400,000
70% OF REQUIREMENT	\$140,000	\$175,000	\$210,000	\$245,000	\$280,000
