

SIOR GROSS FEE INCOME REQUIREMENTS

To fulfill the Volume-of-Business requirement for the SIOR designation, Applicants for membership must fulfill the Gross Fee Income (GFI) requirements as set by local Chapters for individual markets by submitting an approved GFI Affidavit signed by the Applicant's CFO or Managing Broker. If an applicant has neither, the affidavit may be completed by a CPA. The Affidavit forms are available from www.sior.com.

REQUIREMENTS:

SIOR evaluates Volume-of-Business based on Gross Fee Income (GFI). GFI is defined as the amount that the Applicant's firm receives (before splits) that is directly attributable to the Applicant.

Applicants must submit the most recent 48 months of GFI, with respect to their application date. SIOR will take into consideration the best three (3) 12-month periods. (Please Note: The 12-month periods are not necessarily calendar years. For example, an Applicant submitting in July would have a July through June breakdown).

If a market is not listed, it defaults to a \$300,000 requirement.

Member Associates

- Meet 50% the GFI requirement in the most recent 12-month period

Industrial, Office, and Advisory Specialists

- Meet or exceed 100% of the GFI requirement in three (3) out of the four (4) most recent 12-month periods
- Conduct at least five (5) transactions per year
- At least 70% of the GFI requirement must be comprised of industrial and/or office transactions

Dual (Industrial & Office) Specialists

- Meet or exceed 200% of (double) the GFI requirement in three (3) out of the four (4) most recent 12-month periods
- Conduct least 10 transactions per year
- At least 70% of the standard GFI requirement must be comprised of industrial transactions AND at least 70% of the standard GFI requirement must be comprised of office transactions

Sales Management Specialists

- GFI requirement is calculated by multiplying the standard GFI requirement by 10, and taking 75% of the resulting figure
- When filling in the Affidavit, an Applicant should use his/her top 10 industrial and/or office brokers
- At least 70% of the GFI requirement must be comprised of industrial and/or office transactions
