The Exhibitor, as specified in these rules and regulations, will forfeit space not occupied by the close of the installation period (6:00pm, May 1, 2013). The space may be resold, reassigned, or used by the exhibit management.

6. EARLY DISMANTLING OF BOOTHS: Exhibits are to remain set up until 12:30pm on Friday, May 3. Any early exhibit booth breakdown requests must be made and approved prior to the conference. Should any items be left behind for any reason, show management is required to "Force Ship" those items.

7. EXCLUSION: SIOR reserves the right to exclude or require modification of any display or demonstration which, in its sole discretion, it considers unsuitable or not in keeping with the character of the show. Distributed to attendees at registration, lanyards support the badges that all attendees must wear. When your name and logo appear on the lanyards, you'll have non-stop exposure throughout the conference.

ELEVATOR WRAPS: \$4,000 - \$8,000 (PRICE BASED ON PLACEMENT)

Increase your company's visibility with elevator wraps. Catch attendee's eyes on their way up the elevator and remind them of your company on their ride down the elevator. Unique door wraps on the hotel elevator doors market your company to a captive audience throughout the conference.

SIOR2013

SPONSOR/EXHIBITOR PROSPECTUS

WORLD CONFERENCES ADVERTISE

CONFERENCE ADVERTISING

SIOR has gone mobile to create a first-rate, on-the-go experience for conference attendees. Using the app, you will be able to easily access conference session and speaker information, the schedule of events, exhibitor and sponsor profiles and information, maps of the hotel and exhibit hall, an attendee list, and create your own personal schedule.

This conference app has a longer shelf-life beyond the three-day conference as members can view the app long after the conference is over, and new information can continue to be pushed out during and after the conference.

The app is available for iPad, iPhone, Android, BlackBerry and any smartphone that has web-enabled browser capability, and offers many useful year-round features. App users can:

- Review sessions and add them to their schedule
- Search for exhibitors and sponsors
- Download exhibitor and sponsor brochures
- Search for attendees
- Stay in the know with mobile alerts
- Follow or join in on the Twitter feed
- Link with friends and share event photos

The SIOR Conference Mobile App provides exhibitors and sponsors with the opportunity for mobile sponsorships and promotion through banner ad and multimedia advertising. This gives exhibitors a far-reaching, cost-effective way of advertising in this technology-based medium. It's a handy tool for the conference, and even after the conference, providing users with an industry reference tool. Since exhibitor and sponsor content appearing on the app is managed by the exhibitors themselves, it's a place to point new business prospects whenever new information is available, on a device they use daily right in the palm of their hands.
