SIOR® SOCIETY OF INDUSTRIAL AND OFFICE REALTORS®

SIOR GROSS FEE INCOME REQUIREMENTS

To fulfill the Volume-of-Business requirement for the SIOR designation, applicants for membership must fulfill the Gross Fee Income (GFI) requirements as set by local chapters for individual markets by submitting an approved GFI Affidavit signed by the applicant's CFO or Managing Broker. If an applicant has neither, the affidavit may be completed by a CPA. The Affidavit forms are available from www.sior.com.

REQUIREMENTS

SIOR evaluates Volume-of-Business based on **Gross Fee Income** (GFI). GFI is defined as the amount that the **APPLICANT'S FIRM RECEIVES** (before internal splits with firm) that is directly attributable to the applicant.

Note: For applicants who work as part of a team, the GFI provided must reflect their internal team split for each transaction in which they were involved.

Applicants must submit the most recent trailing 48 months of GFI (the 'qualifying period'), with respect to their application date.

For example: For an application submitted in July 2026, the most recent 48-month period would be July 1, 2022, through June 30, 2026. GFI figures based on a calendar year breakdown can only be accepted in January.

Applicants must exceed the market GFI requirement that corresponds to each 12-month period within their qualifying period; the first month of each 12-month period shall determine the qualifying GFI amount.

GFI YEAR & THRESHOLD	12-MONTH PERIOD	GFI NEEDED TO QUALIFY
2025 | $500,000	July 2025 – June 2026	$500,000
2024 | $400,000	July 2024 – June 2025	$400,000
2023 | $400,000	July 2023 – June 2024	$400,000
2022 | $350,000	July 2022 – June 2023	$350,000

To learn more about an applicant's GFI requirement, please refer to the chart below. Market requirements are defined by the county in which applicant's business address resides. If a market is not listed, the GFI defaults to $300K.
