PARTNERS GUIDE 2026

A MESSAGE FROM THE PRESIDENT

Aaron Barnard, SIOR
SIOR Global President
2026-2027
Cushman & Wakefield
Mendota Heights, Minnesota

Thank you to all of SIOR's partners, sponsors, exhibitors, and advertisers. Each of you plays an important role in our success and our shared commitment to advancing the commercial real estate industry. Your support helps strengthen SIOR, create opportunities for our members, and build momentum for the future.

After more than three decades in commercial real estate, I know this business is built on relationships. The knowledge we share, the trust we establish, and the connections we build across markets are what make this industry so rewarding. That same spirit is at the heart of SIOR, where our members and partners work together to create opportunities, share expertise, and raise the standard of excellence in industrial and office real estate.

That spirit comes to life at SIOR's signature events, where more than 2,000 commercial real estate professionals gather each year for education, networking, and collaboration. Thank you to everyone who helps make these experiences possible, including our partners, sponsors, exhibitors, speakers, and SIOR HQ team. Your contributions help ensure that SIOR continues to deliver meaningful value to its members and the broader industry.

As we celebrate SIOR's 85th anniversary in 2026, we're proud of the foundation built over more than eight decades and energized by the opportunities ahead. From strengthening our global network to investing in the next generation of commercial real estate professionals, we remain focused on creating connections that help our members and the industry thrive.

I'm honored to serve as SIOR Global President and look forward to building on this momentum alongside our members and partners. Thank you for being part of SIOR's story and for helping shape its future. Together, we can continue to expand our reach, embrace innovation, and build an even stronger, more connected commercial real estate community.

Sincerely,

Aaron Barnard, SIOR
SIOR Global President 2026-2027
